

## **2008-09 Bellevue Rotary Community Grants**

**Bellevue Rotary is soliciting applications for community service grants until October 15, 2008.**

1. The funds must be community service oriented, beneficial primarily to the residents of the City of Bellevue and secondarily to residents of the neighboring Eastside cities.
2. Funds will be granted for capital investments in service projects and not for general operating expenses such as overhead and salary, etc.
3. The maximum grant per organization is \$5,000.
4. A simple Letter of Inquiry must be filled out and received by **October 15, 2008**.

The **Letter of Inquiry** should provide the following information:
