Dr. John Baldwin
Bellevue Rotary Club
PO Box 523
Bellevue, WA 98009

Dear John:

The Bellevue Rotary Auction was a great evening for PACE. The event really moved us closer to "the tipping point" at which PACE will become not just **possible** for this community - nor merely even *probable* - but *inevitable*.

The fundraising success is certainly something for which we are both grateful and proud: grateful to Bellevue Rotary and to everyone who gave so generously, and proud of our increasing ability to inspire confidence in both our mission and our ability. Together, Bellevue Rotary and PACE unleashed a buzz in this community that's going to echo for a long time.

On behalf of the PACE Board of Directors and staff, I would like to thank John Baldwin, Bob Ward, Sally Gray, Sue Albrecht, and the entire Rotary Auction Committee. PACE is grateful to each of you who devote your time and talent and treasury to Bellevue Rotary.

And, finally, thank you all for embracing PACE as a major priority for Bellevue. Although concrete and steel will play an important role, PACE will really be built from the support of people like you.

Warm regards,

John Haynes
