Our mission is to simply love, listen and learn, then build relationships and earn trust so that we may hear the deeper needs of kids and families. We then step in the gap, connecting with local schools, businesses, service organizations, government and the church to build community to provide a hand up, not a hand out, to inspire interdependent, sustainable and productive life paths.

About Bellevue Rotary

Bellevue Rotary is an organization of business and professional leaders that provide humanitarian service and work to build goodwill in the community. Bellevue Rotary is the largest Rotary club on the Eastside, with members representing all sectors of our region's economy.

About the Bellevue Rotary Auction

The Bellevue Rotary Auction is an annual evening attire event that is attended by approximately 650 Eastside business and community leaders. This year's event is scheduled for Saturday, April 21, 2012.

Each year a different beneficiary is selected to be the primary recipient of the funds raised at the auction. The 2012 Bellevue Rotary Auction beneficiary is **Jubilee REACH**.

About Jubilee REACH

Jubilee REACH is an independent non-profit, 501c(3) corporation, located in the heart of Bellevue's most diverse neighborhood. Our call is to love our neighbor. We typically begin by caring for the child through various related before and after school programs at our Center and on-site in seven middle schools and one elementary school. Our key element is mobilizing volunteers into service to 'see the face of the need' then 'engage.' Through many, doing a little, a lot changes.

A brief summary of services that we provide are:

- Club Jubilee Sports starting with soccer and basketball at all 7 middle schools
- After school care and enrichment on-site at Highland Middle School and Jubilee REACH center
- Before school care for Lake Hills and Stevenson Elementary Schools
- Music Outreach through RockStart rock band program at Highland Middle School
- Medical and Dental Clinic for low income adults and children without insurance
- English as a Second Language and Talk Time Classes four days a week
- Story Time and Play & Learn program for pre-school children
- Community Care for families in crisis or in need of transitional help
- Computer Lab and Parent Computer class to equip families and parents
- Community Center as a 'hub center' of care and hospitality to connect the people with support
- Jubilee REACH Thrift Store – selling thrift store merchandise while providing life and job skills to those in need.
